TERM 2
WEEK 10
26/06/26

PRINCIPAL'S REPORT

Welcome to the end of Term 2!

What a wonderful term we have had, with many opportunities for students to participate in a wide range of activities and experiences from swimming lessons and Port Fairy's Got Talent to AFL clinics at lunchtime, alongside our usual specialist classes and learning programs. It has truly been a jammed packed term, and lets be honest we wouldn't have it any other way!

Today all students had the opportunity to enjoy our free dress day and toastie lunch as a fun way to celebrate the last day of term. Thank you to the Junior School Council for their vision and for their organisation. All funds raised will go towards restoring and/or revitalising the jester in our courtyard, helping to give this much loved feature a new lease on life for our school community to enjoy.

Parent Teacher Interviews have been well attended this week and I want to thank everyone who has taken the time to meet with their child's teacher to discuss their progress. If you have not been able to make an appointment this week please feel free to contact your child's teacher to arrange an appointment next term.

I would also like to extend a huge thank you to all of our parent volunteers who have supported us over the past few weeks, particularly during the swimming program. Without your help our smooth and seamless travel to and from Port Fairy would not have been possible. We truly appreciate you taking the time out of your day to support this program.
Also, a huge thank you to Splash Factory for accommodating us and providing wonderful lessons, it has been so lovely to see the progress and confidence grow of the students over the 6 lessons.

Wishing everyone a wonderful and well-deserved break. We look forward to welcoming you back on Monday 13th July for the first day of Term 3.

Acting Principal

FORTNIGHTLY FEATURE

FOUNDATION

LEARNING FOCUS

What a fantastic term it has been in Foundation! We have been busy learning, growing and having lots of fun along the way. It has been wonderful to see the confidence and independence of the students continue to shine as they tackle new challenges and celebrate their successes.

Literacy

We have been working hard to build our knowledge of letters and sounds and are becoming more confident readers and writers every day. We have been learning to read and write CVC (consonant-vowel-consonant) words such as *cat*, *dog* and *sit*, as well as more complex CCVC and CVCC words such as *frog*, *stop* and *hand*. It has been so exciting to see students applying their letter-sound knowledge to sound out unfamiliar words independently. A big focus this term has been developing our reading fluency. Students have been practising sounding out words, rereading to make sure their reading makes sense and working towards reading accurately.

We have also loved exploring a range of Australian texts, including *Possum Magic*, *Kissed by the Moon*, *The Snail and the Whale*, *Who Sank the Boat?* and *Diary of a Wombat*. In writing, students have amazed us with their creativity! Using picture prompts, they have been generating their own ideas and working hard to include finger spaces, capital letters and full stops. We have also been learning the difference between statements and questions, how to use question marks correctly and how to write thoughtful responses to questions.

Numeracy

Numeracy has been full of hands-on learning and number fun! We recently started our school-wide *Facts on Fire* program, which is helping students build fluency with number writing and subitising (instantly recognising how many without counting).

Students have been practising counting to 100, participating in our much-loved "popcorn counting" activities and learning to read and identify two-digit numbers. We have also been exploring place value using bundling sticks, learning that ten ones make one ten. Using icy pole sticks, students have physically bundled groups of ten to help build their understanding.

Addition has been another major focus, with students using Unifix cubes, counters and lines to solve problems. We have also explored measurement concepts including capacity, by describing containers as full, empty and half-full, and length, where students have compared and ordered objects from shortest to longest.

The Resilience Project

During our Resilience Project lessons, students have been learning about mindfulness and different strategies that can help our minds and bodies feel calm. We have also been exploring gratitude by thinking about the people we are thankful for and discussing ways we can show our appreciation to others.

We are incredibly proud of the growth, effort and enthusiasm our Foundation students have shown this term. We can't wait to see what next term brings!

FOUNDATION CONT.

HIGHLIGHTS, ACTIVITIES, EXCURSIONS

We have been lucky to enjoy some exciting experiences this term!
One of the highlights was our excursion to see *Where is the Green Sheep?* at the Lighthouse Theatre in Warrnambool. The students absolutely loved watching the much-loved story come to life on stage. It was wonderful to see their excitement as they recognised characters and joined in with the fun.
Swimming lessons have also been a huge success. The students have shown fantastic resilience, independence and determination throughout the program. They have been incredibly quick at getting changed and have continued to give their best effort, even when they have been feeling tired. We are so proud of the positive attitude they have shown each week

Last week Jackson W. travelled to Melbourne after being invited to tryout for the School Sport Victoria Cricket team. Jackson is a fantastic all rounder on the cricket field and put himself up against over 130 other young hopefuls from around the State. Good luck Jackson, no matter what the outcome we are super proud of you, fingers crossed!

MENU

Sweet Potato Rosti, Apple Slaw, Hand Cut Vegetable Chips, Quick Tomato Sauce and Apple Strudel

IN THE KITCHEN

Brilliant Veggie Garden Burger Sliders!

What a delicious way to finish the term! This fortnight our students created a spectacular garden-inspired lunch, making their own veggie garden burger sliders packed with fresh produce and flavour.

Our menu featured a mini herb burger, topped with a crispy sweet potato rosti and crunchy apple, carrot and red cabbage slaw, served alongside hand-cut vegetable chips made from potato, pumpkin and sweet potato. To finish, students enjoyed a warm and fragrant apple strudel made with cinnamon and flaky filo pastry.

Along the way, students explored food preservation by making their own cucumber pickles and discovered how easy it is to create a quick homemade tomato sauce using simple ingredients.

We challenged ourselves to include as many vegetables as possible, creating a colourful and nutritious slider lunch bursting with garden goodness.

A huge congratulations to all of our students for a wonderful term of learning, cooking and gardening. From planting and harvesting in the garden to preparing and sharing delicious meals in the kitchen, it has been fantastic to see students develop their skills, confidence and curiosity around food.

Be sure to check out the recipes included in this newsletter and keep the cooking adventures going over the holiday break. We can't wait to see what delicious creations you make at home!

Sweet Potato Rosti

Stephanie Alexander Kitchen Garden (SAKG) Recipe

A crispy, golden rosti is a delicious way to celebrate sweet potatoes. This recipe helps students learn how vegetables can be transformed through simple cooking techniques such as grating, squeezing, mixing and pan-frying.

Serves 4–6

Ingredients

- 2 large sweet potatoes
- 1 small brown onion
- 1 egg
- 2 tablespoons plain flour
- 1 tablespoon chopped parsley or chives (optional)
- Salt and pepper to taste
- 2 tablespoons olive oil

Equipment

- Grater
- Mixing bowl
- Clean tea towel
- Frying pan
- Fish slice or spatula
- Chopping board and knife

Method

1. Wash the sweet potatoes thoroughly. Peel if desired.
2. Grate the sweet potatoes and onion into a large bowl.
3. Place the grated mixture into a clean tea towel and squeeze out as much liquid as possible. This helps the rosti become crispy.
4. Return the vegetables to the bowl and add the egg, flour and herbs. Mix well.
5. Heat olive oil in a frying pan over medium heat.
6. Scoop spoonfuls of mixture into the pan and flatten gently with a spatula.
7. Cook for 3–4 minutes on each side until golden brown and crisp.
8. Place on paper towel to drain any excess oil.
9. Serve warm with a garden salad, fresh herbs or a dollop of yoghurt.

Apple-slaw

Stephanie Alexander Kitchen Garden (SAKG) Recipe

This colourful coleslaw combines crunchy vegetables and sweet apple with a creamy dressing. It is a great way to enjoy fresh seasonal produce and learn knife skills, grating techniques and how to prepare a simple dressing.

Serves 10–12

Ingredients

Coleslaw

- ½ small red cabbage, finely shredded
- 3 carrots, grated
- 2 apples, cored and julienned or grated
- 2 spring onions, finely sliced (optional)
- 2 tablespoons chopped parsley or chives

Mayonnaise Dressing

- ¾ cup whole-egg mayonnaise
- 1 tablespoon lemon juice
- 1 teaspoon honey
- Salt and pepper, to taste

Equipment

- Chopping board
- Knife
- Grater
- Large mixing bowl
- Small bowl
- Measuring spoons
- Wooden spoon

Method

1. Wash all fruit, vegetables and herbs thoroughly.
2. Finely shred the red cabbage and place in a large bowl.
3. Grate the carrots and add to the cabbage.
4. Core and grate or finely slice the apples and add to the bowl.
5. Add the spring onions and herbs if using.
6. In a small bowl, combine the mayonnaise, lemon juice, honey, salt and pepper.

Hand-Cut Vegetable Chips

Stephanie Alexander Kitchen Garden (SAKG) Recipe

These crispy hand-cut vegetable chips are a wonderful way to celebrate seasonal garden produce. Students learn important knife skills, safe food preparation techniques and how different vegetables change texture when cooked.

Serves 8–10

Ingredients

- 4 medium potatoes
- ½ small pumpkin (such as Kent or Jap)
- 2 medium sweet potatoes
- 2–3 tablespoons olive oil
- 1 teaspoon rosemary leaves, finely chopped (optional)
- Salt and pepper, to taste

Equipment

- Chopping board
- Vegetable peeler
- Sharp knife
- Large mixing bowl
- Baking trays
- Baking paper
- Tongs or spatula

Method

1. Preheat the oven to 200°C.
2. Wash all vegetables thoroughly.
3. Peel the pumpkin if needed. Potatoes and sweet potatoes may be left unpeeled for extra fibre and texture.
4. Carefully cut the vegetables into chip-sized batons of a similar thickness.
5. Place the chips into a large bowl and drizzle with olive oil.
6. Add rosemary, salt and pepper if using, then toss until evenly coated.
7. Spread the chips in a single layer on lined baking trays. Avoid overcrowding.
8. Bake for 30–40 minutes, turning halfway through cooking.
9. Cook until golden, tender inside and crisp around the edges.
10. Serve warm with garden herbs, homemade tomato sauce or yoghurt dip.

- 1 tablespoon olive oil
- 1 teaspoon brown sugar or honey
- 1 teaspoon dried oregano or mixed garden herbs
- Salt and pepper, to taste

5. Lay one sheet of filo pastry on a clean bench and lightly brush with melted butter.
6. Place another sheet on top and repeat until all 8 sheets are layered.
7. Spoon the apple mixture along one long edge of the pastry, leaving a border around the edges.
8. Fold the short sides inward, then carefully roll the pastry into a log.
9. Place the strudel seam-side down on the baking tray.
10. Brush the top with remaining butter.
11. Bake for 30–35 minutes or until golden brown and crisp.
12. Allow to cool slightly before slicing.
13. Dust with icing sugar if desired and serve warm.
