TERM 3
WEEK 9
11/09/26

PRINCIPAL'S REPORT

I begin this newsletter with some news that is sad for our community, but very exciting for one of our staff members. Leah has recently completed her teaching qualification and has secured a teaching position at St John's in Dennington for 2027.

Leah has let me know that she will be resigning from PFCS at the beginning of Term 4, which will allow her to take on some casual relief teaching opportunities during the term. While we are very sad to see Leah leave, we are incredibly excited for her as she begins this next chapter of her teaching career.
Leah has been part of our PFCS community for almost seven years and has made such a positive impact on our students, staff and families. She will be greatly missed, and we are incredibly proud of all that she has achieved. We wish her every success for what we know will be a very bright future! We will be acknowledging Leah at our final assembly for the term next week, which will be held at the earlier time of 9:15am due to our 2:30pm finish on Friday.

I have had the pleasure of attending camp with our Year 5/6 students this week, and I always love returning to Sovereign Hill and joining the students for the Costume School. Our students have been so respectful and have had an absolute ball! It has been wonderful to see them embracing the experience and making some great memories together. A big thank you to our staff and parent helpers for making the camp such a wonderful experience for our students.

PRINCIPAL'S REPORT

I am also pleased to confirm that we will once again be having lunch order days next term. We will let you know the dates and will follow the same process as we have previously.

Finally, a last request to complete our Parent Opinion Survey. Please see XUNO for instructions on how to complete the survey and have your say about our strengths, as well as areas where you feel we could continue to strengthen. Please also feel very welcome to have a conversation with me about these things.

As I often say, we don't know what we don't know, and your feedback is incredibly valuable in helping us understand how our community is feeling. Please keep an eye on your XUNO calendar, as we have lots of important dates coming up in Term 4, including our Parent Teacher Interviews.

I hope you all have a wonderful weekend. It has certainly been lovely to see a little bit of sunshine!

MUSIC

Learning Focus

In Music the Foundation students have been learning to play Boomwackers. Boomwackers are another great introduction to tuned instruments and the notes that are needed to play music. Icka Backa Soda Cracker has been a song they have sung, played on the Boomwackers and then played a game while singing the song. We moved on to playing Mary had a Little Lamb and Hot Cross Buns. We also used a 'play-a-long' video to follow what notes to play. That was great fun and the music the children made sounded wonderful!

The Yr 1-6 students have emerged as amazing bucket drummers! Bucket drumming has been their focus for this term. We have a class set of Bunnings buckets that are turned upside down & used as a drum. The children begin by playing with chopsticks to develop their drumming skills of holding the sticks correctly, playing the top, rim and side of the bucket as well as clicks with their sticks. This is simulating playing a full drum kit and having to coordinate themselves to play the rhythms in different directions on the instrument. Playing together and listening to each other as a group is another big skill that was practiced. They have been learning how to play simple rhythms on the buckets and moving on to more complicated rhythms. They have learnt part of a bucket drumming routine we watched. Because of the practice each class has done, they got to perform that with the full size drum sticks.... WOW!! They were fabulous! We were all so energised.

MUSIC CONT.

All classes have been watching a video and joining in with the body percussion to Classical music. Some of the videos we have followed have had the children asking to do it again, with comments of “that was fun”! All classes have learnt the Acknowledgment Song & actions that Jessie Lloyd taught us when she visited our school during the Folk Festival. With the theme of Book Week this year being Symphony of Stories it was a great opportunity to discuss how stories and music are so connected. We spoke how music can enhance a story in movies etc. as well as tell a story just through music.

Highlights

In August the Warrnambool Organ Festival created an opportunity for children of Warrnambool & district to come together and create a choir. We had 19 singers take part. They sang with the Warrnambool Symphony Orchestra and performed at a concert at St Joseph's Church in Warrnambool. It was a wonderful experience to be able to sing I am Australian with the adult choir and perform Count on Me as the children’s choir.

Rehearsals for the Spring Music Festival Children’s Choir have begun with the performance at the closing Gala on 11th October. We have 29 students taking up this opportunity! Stefan Cassomenos has worked with the children to start composing the piece they will sing. He and the amazing Dermot Tutty teach and lead the rehearsals.

Next term we will start working on the songs for the Southwest Sing which will be happening again at the Warrnambool Show.
This is open to F-6 children, I’ll be calling for interested singers next term.

Kitchen Garden Recipes: Recipes: Pumpkin risotto, Garlic pizza, Banana choc chip muffins, Avocado and pear Garden salad

IN THE KITCHEN

It has been a wonderful and very busy week in our Kitchen Garden!
This week, our students put our garden pumpkin to delicious use, making a creamy pumpkin risotto. We started by roasting the pumpkin until it was soft and golden, which brought out its natural sweetness and gave the risotto some delicious caramelised pieces. Students helped prepare the ingredients, gently cooked the onions and garlic, stirred the rice and gradually added the warm stock. Learning along the way about how the starch in Arborio rice helps create that wonderful creamy texture. The best part was sitting down together to taste what we had made!

It has also been a huge week of clearing, sorting and preparing our Kitchen Garden shed as we get ready for our new shed. There has been an incredible amount of work happening, and it has been wonderful to see so many people pitching in and helping. A very big thank you to our Grade 3/4 students, who worked so hard to help clear out the shed and get things organised. Your energy, teamwork and willingness to get stuck in made a huge difference!
There is still plenty to do as we prepare for the new shed, but it is exciting to see the next stage of our Kitchen Garden taking shape.
Thank you to everyone who has helped make it such a great week in the Kitchen Garden growing, cooking, learning and working together!

PUMPKIN RISOTTO

Makes: 25–30 student tastes

Ingredients

Roasted pumpkin

- 500 gm pumpkin, peeled and cubed
- 2 tbsp olive oil
- Salt and pepper

Risotto

- 2 tbsp olive oil
- 2 onions, finely diced
- 3 cloves garlic, chopped
- 1 kg Arborio rice
- 2- 2.5 L vegetable stock, kept warm
- 100 g Parmesan, grated
- 50 g butter
- Salt and pepper
- Fresh herbs - thyme and rosemary

Method - STEPS

1. Roast the pumpkin
Heat oven to **200°C**. Toss pumpkin with olive oil, salt and pepper. Roast for **25–30 minutes**, turning once, until soft and golden (ready for the next class)

2. Cook the onion
Heat olive oil in a large saucepan. Add onion and cook gently for **5–7 minutes** until soft. Add garlic and cook for 1 minute.

Set up a pot of hot water on the stove top for the stock to be ladled into the risotto rice

3. Add the rice
Add Arborio rice and stir for **1–2 minutes** until the rice looks shiny.

4. Add the stock
Add **1 cup of hot stock** and stir. When most of the liquid has been absorbed, add another cup. Continue gradually, stirring regularly, for about **20–25 minutes**, until the rice is creamy and just tender.

5. Add the pumpkin
Gently stir through about **two-thirds of the roasted pumpkin**. Cook for another few minutes until heated through.

6. Finish
Remove from the heat and stir through the herbs butter and Parmesan. Season with salt and pepper.

7. Serve
Spoon into bowls and top with the remaining roasted pumpkin and fresh herbs.

Kitchen Garden Tip

Try adding **silverbeet, spinach, parsley, spring onions or fresh herbs** from the garden.

Kitchen Garden Science

Why does risotto become creamy?
Arborio rice releases starch as it cooks. The starch mixes with the stock to create the creamy texture we love in risotto.

Garden Salad with Snow Peas, Feta, Avocado & Pear

- 4 cups mixed salad leaves (spinach or lettuce work well)

Simple dressing:

- 3 tbsp olive oil
- 1 tbsp lemon juice
- 1 tsp honey
- Pinch of salt

Method

1. **Prepare the veggies**
    - Slice snow peas
    - Cut pears into thin slices
    - Dice avocado
2. **Make the dressing**
   In a small bowl, mix olive oil, lemon juice, honey, and a tiny pinch of salt.
3. **Assemble the salad**
    - Put salad leaves in a big bowl
    - Add snow peas, pear, and avocado
    - Sprinkle over fetta
4. **Dress lightly**
   Drizzle dressing over just before serving and toss gently.
5. **Divide** equally into 5 smaller bowls to share at the harvest table.

Top tips

- Let kids **tear leaves and mix**
- Add avocado last so it doesn't get squashed
- Don't add too much salad dressing can make it soggy

Chocolate Banana Muffins

Makes: 24 regular muffins

Ingredients

- 4 ripe bananas, mashed
- 1 cup brown sugar
- 2 eggs or (chick pea liquid substitute)
- ½ cup vegetable oil
- 1 teaspoon vanilla extract
- 3 cups self-raising flour
- ½ cup cocoa powder
- 1 teaspoon ground cinnamon (optional)
- 1 cup milk
- 1 cup dark or milk chocolate chips

Method

1. Preheat the oven to **180°C** and line muffin trays with paper cases.
2. In a large bowl, mash the bananas until smooth.
3. Add the brown sugar, eggs (chickpea substitute), oil and vanilla. Mix well.
4. Sift in the self-raising flour, cocoa powder and cinnamon.
5. Add the milk and gently fold until just combined.
6. Stir through the chocolate chips.
7. Spoon the mixture into muffin cases until they are about three-quarters full.
8. Bake for:
    - **20–25 minutes** for regular muffins
9. Test with a skewer—it should come out clean. Cool on a wire rack before serving.

Kitchen Garden Learning

These muffins are a wonderful way to use overripe bananas and reduce food waste. Students practised measuring ingredients, mixing wet and dry ingredients, using the muffin method, and observing how baking powder in the self-raising flour helps the muffins rise. They also learned how ripe fruit naturally adds sweetness and moisture to baked goods.

SCHOOL CROSSING UPGRADE WORKS

We're upgrading the school crossing on the Princes Highway, near the intersection of Villiers Street.

Works are planned to start Monday 21 September and take up to three weeks to complete, weather permitting.

The new crossing will reduce the likelihood and severity of crashes and will help schoolchildren, parents, residents and cyclists stay safe.

The project will benefit the students, staff and communities of Port Fairy Consolidated School and St Patrick's Primary School.

Transport Victoria is delivering this school crossing upgrade as part of the Australian Government's Road Safety Program.

Construction impacts

The school crossing safety upgrades will include:

- new kerb extensions
- school crossing posts with flags and line marking
- improved footpath connections and pram crossings.

Crews will be on site from Monday to Friday, between 7am and 6pm, with the possibility of weekend works.

A temporary crossing point will be used while the school crossing upgrade is underway.

Please follow direction of traffic management personnel and school crossing supervisors during this time.

Traffic management, including single lane closures, delays of up to 5 minutes and a reduced speed limit, will be in place during construction.

Please note: dates and timeframes of these works are dependent on a range of factors, including favourable weather and site conditions.

We understand roadworks can be disruptive, and we thank you for your patience during this project.
