PORT FAIRY CONSOLIDATED SCHOOL

Belonging - Learning - Respect

TERM 4
WEEK 1
9/10/26

PRINCIPAL'S REPORT

Welcome back to Term 4! Our students have settled back into school smoothly, and we are all looking forward to an action-packed and enjoyable term together.
We have welcomed two new students to PFCS this week, as well as a new Education Support staff member, Stella, who will be working in the Foundation classroom three days each week. We are very fortunate to have such a capable and caring team of Education Support staff working across our classrooms, administration, and supporting our students each day.

Runners-Walkers began on Wednesday, with some outstanding running already taking place! It was wonderful to see such a positive atmosphere, with students demonstrating our values of Belonging and Respect throughout the session. As always, a huge thank you to the staff who give up part of their lunch break to facilitate this important health initiative, which has been a much-loved part of PFCS for many years.

Leisure Lunchtimes - From Monday, we will have Supervised Outdoor Activities available at lunchtime for students who would benefit from a quieter, more structured environment. These activities will be available each lunchtime and will be supervised by a staff member. They will be set up under the shade sail in front of the office.

Last term, I asked our Junior School Council what activities they would like to have available at lunchtime. I have purchased nearly all of their requested activities, along with some additional giant outdoor games and activities. I am really excited to see these up and running and hope they provide another positive option for our students at lunchtime.

Thank you to our Education Support staff for supporting this initiative.

CONTINUED

PRINCIPAL'S REPORT

Hall Gate Entry Works - You may have noticed that Shire works have commenced around our Hall Gate Entry car park. The work is not yet complete, so there may be some further disruption to parking, pick-up and drop-off arrangements over the coming month. We will keep families updated as the work progresses and apologise in advance for any inconvenience. We are certainly looking forward to having the work completed!

Lunch Orders - Thank you again to our wonderful parent volunteers who organise and provide lunch orders for our students. Our first lunch order for Term 4 will be on Friday 13 November, with the XUNO approval and payment information being sent out next week. If you have already approved and paid for lunch orders, these will be transferred across to the new XUNO form, so you will not need to do this again.

Parent/Special Person Morning – Friday 13 November: As foreshadowed last term, we are looking forward to our Parent/Special Person Morning on Friday 13 November, organised by our amazing Parents & Community Group. There will be a light breakfast available from 8:00am, followed by an opportunity to visit classrooms between 8:45–9:30am. We would love to see as many parents, carers and special people as possible at this event. It is a lovely opportunity to spend some time at school and see what your children have been learning.

Supervision Before and After School: Student safety at Port Fairy Consolidated School is our highest priority, and the safe and appropriate supervision of students is an important element of our duty of care to students. Part of this duty is ensuring parents and students are aware of our student supervision arrangements before and after school. School grounds are supervised from 8:45am, and again after school until 3:40pm. Students on school grounds outside these times will not be supervised (unless they are attending a before or after school care program or supervised extracurricular activity such as Breakfast Club). Parents/carers are requested to ensure that students do not attend school outside of these supervised times unless they are attending before or after school care, Breakfast Club, or a pre-arranged supervised activity. Please note that if your student is attending breakfast club, they must stay in the CAFE until 8:45am. I would appreciate if you could have this conversation with your students.

CONTINUED

PRINCIPAL'S REPORT

Families are encouraged to contact TheirCare https://theircare.com.au/ or https://www.pfc.vic.edu.au/before-and-after-school-care/ for more information about the before and after school care facilities available to our school community. For a copy of our school's Yard Duty and Supervision Policy, please contact the office, noting that we are reviewing this policy this term.

We are committed to providing an environment where students are safe and feel safe. Our child safety framework includes policies, codes and procedures that explain how we support and maintain the safety and wellbeing of our students and protect them from harm. These documents are attached with this newsletter.
We are also committed to continuous improvement of our child safety framework. We are currently reviewing our child safety policies and practices to ensure they are up-to-date and effective. Our students and families are important partners in this process. We welcome your feedback or ideas on ways we can improve our approach to child safety and wellbeing. If you have any suggestions or comments, please contact me at katrina.anderson@education.vic.gov.au by Wednesday 14th October. From there, they go to School Council for review and approval, then our website will be updated.

All the very best to our students competing at the Regional Athletics today, and to our Spring Music Festival Children's Choir participants performing over the weekend. We are incredibly proud of our students for representing PFCS in these events.

And finally, a little forewarning about one of our favourite events of the year – the Port Fairy Cup! The Port Fairy Cup takes place on Melbourne Cup Day (3rd November), with our Foundation students and their buddies racing together to see who will be 'Crowned' the winners. It is always a highlight on our school calendar, and we would love families to join us on the front oval to cheer the students on. Festivities begin at 2:15pm.

We are looking forward to a wonderful Term 4 together!

FORTNIGHTLY FEATURE

ART

Learning Focus

In recent weeks we have been exploring creating art in lots of different ways including drawing, painting, symbols, using clay, portraiture, collage, zines, cardboard sculpture and creating designs for inspiration for the Port Fairy Marathon finisher medals. Each of these used some of the Art Elements (Line, Shape, Colour, Tone, Texture and Form).

For the Box Project (currently on exhibition in the foyer and Library) year Five and Six students used large cardboard boxes to explore using Form (art in three dimensions). Every session the Art Room and passageway were filled with very large boxes and students exploring (in partners, groups or alone) creating a three-dimensional imaginative sculpture they could both design and achieve without using tape, glue or staples.

We learnt ways of connecting things including using slits in cardboard pieces and joining with string. We documented and modified our plans in two dimensions while we were learning to visualise what 3D things look like in 2D from different angles.Year 5/6 are currently working on two-dimensional individual projects based around an Art Element of choice with each grade exploring very different ways of making art.

ART CONT.

In year One, Two, Three and Four we made portraits and wrote about a person we admire for the Young Portrait Show at the Warrnambool Art Gallery, which are currently being exhibited in a folder at the gallery until October 18. To help us create this artwork we began to learn how fractions can be used to make portrait proportions then developed them using line, shape and colour to look like a person. We used skin coloured dry pastel to tone the faces and make them begin to appear three-dimensional.

Year One and Two have been learning about traditional Australian Aboriginal symbols and have explored these in our art making using our handprints as well as making our own ideas for symbols to show people things about ourselves.

ART CONT.

The Art Element Form has been explored by year Three and Four through playing with clay and creating a pinch-pot, and year One and Two will be doing this also. Year Three and Four are now making an artwork titled ‘My Favourite Place’.

In Foundation we have been learning about the Art Elements Line, Shape and Colour. We have expressed our emotions using Line, used Line to create Shape by tracing our hands and explored using Line and Colour for making patterns.
Each student has been presented with their own Art Journal that their Year Six Buddy has prepared for them to use for the next three years to develop their ideas, plan and show their learning.
Foundation students have learnt ‘The Secret of Colour’ (with the help of older students) which has included mixing primary colours to make secondary colours and then creating a drawing and painting using all of them. Currently we are making artwork using Shape.

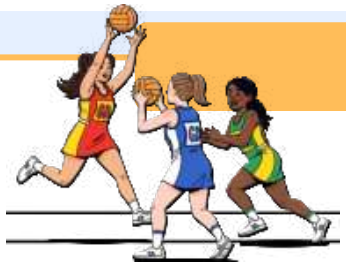

Highlights

Several students will have work exhibited at the Koroit Lions Club Art Show at the Koroit Theatre on the 31st October, 1st November and 2nd November.
The Port Fairy Annual Show is scheduled for Saturday, November 7th, there are many opportunities to exhibit arts and crafts.
Just after Christmas Year Three and Four artwork will be exhibited for many hundreds of people to see in the Port Fairy Belfast Lions Club Art and Textile Show in the Senior Citizens Centre as part of our annual Year Three and Four exhibition.

PHYSICAL EDUCATION

TERM 4 – WEEK 1

UPCOMING EVENTS/DATES

Friday 9th October – Regional Athletics Ballarat

Friday 23rd October – 3/4 Sports day (AFL, Soccer, Netball) Gardens Oval

Friday 30th October – Moyne Cricket – Yr5/6- PFCC

Friday 6th November – Division Cricket – Yr5/6- PFCC

REMINDERS

Term 4, Hats and water bottles for PE please

PE NEWS

Welcome back to Term 4, hope everyone had a great break. Good luck to our Regional Athletes competing in Ballarat today; Sam, Harrison, Mia, Indigo, Bronte and Lilah, can't wait to hear how you went.

Some fun events coming up, the 3/4 's have their Spring sports day, 23rd October. If anyone is available to help walk the students to the Gardens Oval on the day or would like to assist with a team (netball, AFL or soccer), please let myself or your child's teacher know. I should have teams organised early next week.

We are into all things Golf and Cricket this Term, so make sure your windows are safe at home 😉, lots of balls getting smashed everwhere!

Stay Active!

Brooke Green
Physical Education Coordinator

SAKGP

MENU

Kitchen Garden Recipes: San choy bow, chicken and vegetable dumplings, mango dessert

IN THE KITCHEN

Welcome back to Term 4!

We are already back in the kitchen and ready to cook with our Year 3/4 students. This week's menu is a delicious Asian-inspired feast of san choy bow, dumplings and a fresh mango dessert. Students will be busy chopping, mixing, folding and, of course, tasting!

We are also ready for a great season in the garden. With warmer weather ahead, we are looking forward to growing, sowing, harvesting and sharing the wonderful produce from our Kitchen Garden.

Our bok choy and coriander are growing beautifully and will be making their way into our cooking this term. We'll also be watching our other crops grow and harvesting them when they are ready. It's a busy and exciting time in the garden as we get growing for the final term of the year!

Fried Rice Lettuce Cups

Season: All

Serves: 30 tastes or 6 at home

Fresh from the garden: lettuce, carrot, eggs, red onion, silverbeet, spring onions

Equipment:

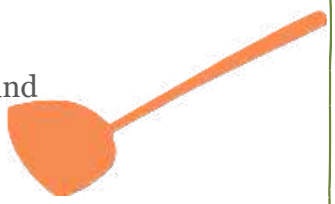

- metric measuring cup and spoons
- clean tea towel
- chopping board
- cook's knife
- vegetable peeler
- small bowl
- whisk or fork
- wok
- wok sang
- serving platters

Ingredients:

- 6 eggs
- 3 tbsp light soy sauce
- 2 cm knob of ginger, peeled and finely chopped
- 2 tbsp sunflower oil
- 4 cups cooked rice
- 8 spring onions, finely chopped
- 2 silverbeet leaves, finely chopped
- 1 small red onion, peeled and finely chopped
- 1 small carrot, julienned or grated
- 2 tsp sesame oil
- 30 small whole lettuce leaves

What to do:

1. Prepare all of the ingredients based on the instructions in the ingredients list.
2. Beat the eggs in the small bowl with 1 tbsp soy and the ginger.
3. Heat the wok with 1 tbsp sunflower oil.
4. Pour in the egg mixture and leave to cook for 20 seconds, before folding onto itself and cooking through.
5. Remove the egg from the wok and allow it to cool on the chopping board, then slice it.
6. Heat the remaining sunflower oil and the sesame oil in the wok.
7. Add onion, carrot and spring onions and cook for 2 minutes, then add rice and remaining soy sauce.
8. Reduce the heat and add the silverbeet and cooked egg slices. Combine ingredients, then remove the wok from the heat.
9. Divide between serving platters for each table.
10. Provide each table with a platter of washed lettuce leaves. Diners place the rice in the leaves, roll and eat.

Chicken Dumpling Filling

Makes: about 30 dumplings

Ingredients

- 250 g chicken mince
- 2 garlic cloves, finely crushed
- 2 teaspoons fresh ginger, finely grated
- 2 spring onions, finely sliced
- 1 cup finely shredded Chinese cabbage or bok choy
- 1 tablespoon soy sauce
- 1 teaspoon rice vinegar
- 1 teaspoon cornflour
- ½ teaspoon salt
- 1–2 tablespoons water

Method

1. Place the chicken mince in a bowl.
2. Add the garlic, ginger, spring onions and cabbage.
3. Add soy sauce, rice vinegar, cornflour, salt and pepper.
4. Mix well until the mixture becomes sticky and holds together.
5. Add the water, 1 tablespoon at a time, mixing well. This helps keep the filling juicy.
6. Spoon about **1 tablespoon of filling** into each dumpling wrapper.
7. Fold and seal the dumplings firmly.
8. Cook by steaming, pan-frying or boiling until the chicken is completely cooked through.

Tip: Don't overfill the wrappers. A small amount of filling makes them much easier to fold and seal.

Simple Soy, Ginger & Garlic Dipping Sauce

Ingredients

- 3 tablespoons soy sauce
- 1 tablespoon rice vinegar
- 1 teaspoon fresh ginger, finely grated
- 1 small garlic clove, finely grated
- 1 teaspoon honey or brown sugar
- 1–2 teaspoons water
- Optional: finely sliced spring onion
- Optional: a small amount of chilli or chilli sauce

Method

1. Add all ingredients to a small bowl.
2. Stir until the honey or sugar dissolves.
3. Taste and adjust — add a little more vinegar for tang or water if the sauce is too strong.
4. Serve alongside the hot dumplings.

Mango Muffins with Coconut Custard
Soft, fruity **mango and coconut muffins** served with a creamy coconut custard. An easy Asian-inspired dessert for a classroom tasting.

Mango Muffins

Makes: about 26 small muffins

Ingredients

- 2½ cups self-raising flour
- ¾ cup caster sugar
- 2 eggs
- 1 cup milk
- 125 g butter, melted
- 1½ cups finely chopped ripe mango
- 1 teaspoon vanilla
- ½ teaspoon ground cardamom
- ½ teaspoon ground cinnamon

Method

1. Preheat oven to **180°C**.
2. Line a muffin tray with small muffin cases.
3. Combine the flour, sugar, cardamom and cinnamon in a large bowl.
4. In another bowl, whisk together the eggs, milk, melted butter and vanilla.
5. Add the wet ingredients to the dry ingredients and gently mix.
6. Fold through the chopped mango. **Do not overmix.**
7. Spoon into the muffin cases, filling each about ¾ full.
8. Bake for **15–18 minutes**, or until golden and a skewer comes out clean.
9. Cool slightly before serving.

Coconut Custard

Makes enough for 26 small serves

Ingredients

- 500 mL coconut milk
- 500 mL milk
- 4 egg yolks
- ⅓ cup caster sugar
- 2 tablespoons cornflour
- 1 teaspoon vanilla
- ½ teaspoon ground cardamom

Method

1. Whisk the egg yolks, sugar and cornflour together in a bowl.
2. Heat the coconut milk and milk in a saucepan until hot but **not boiling**.
3. Slowly pour the warm milk into the egg mixture, whisking constantly.
4. Return everything to the saucepan.
5. Stir constantly over low–medium heat until the custard thickens.
6. Stir through the vanilla and cardamom.
7. Allow to cool slightly.

To serve

Cut each muffin in half or into small pieces and serve with **a spoonful of coconut custard**.

Optional flavour: Add a little finely grated **lime zest** to the custard for a fresh mango-and-coconut flavour combination.

Weekly Award Winners

This weeks awards will be presented on Friday 16/10/26 in the school hall at 3.00pm

00A - Euro N & Poppy Y

Euro, for your fantastic work and positive attitude! You always try your best and have a go at every activity. You have been working very hard in Maths and are doing a great job solving problems. I love how you work quietly, carefully and independently. You should be very proud of your hard work, Euro. Well done!

Poppy, for your fantastic effort and hard work in Literacy! Poppy, your reading and writing have improved over the past term. You have worked very hard during our UFLI, reading fluency and writing sessions, and you have been practising your readers at home each night. I have been so proud to watch your confidence grow and take more challenges in your learning. You should be very proud of yourself, Poppy! Keep up your amazing work!

1/2A - Ava H

Ava, for being such a kind and caring classmate. You are always kind to everyone around you and consistently demonstrate our school values. You always try your very best and never need to be reminded to complete your jobs or take care with your work. You are always striving to be the best learner you can be. We are so lucky to have you in our class, Ava!

1/2B - Jai B

Jai, for such an excellent start to the term. The growth you have made this year is mind blowing, and you should be so proud of yourself. This term you have helped a new student settle in, and tried your hardest in everything you do. Congratulations Jai. Keep up the great work!

3/4A - Loki R & Quinn R

Loki, for showing excellent effort in Literacy and Numeracy.Your focus and determination during learing are impressive, and your growing sense of acheivement is really shining through.You should be very proud of the progress you are making. Well done, Loki!

Quinn, for your kind and helpful enthusiasm during Clubs. Your wonderful ideas and willingness to support other students during Bird Watching Club were greatly appreciated by everyone.Your positive attitude and helpful nature helped make the club a fantastic experience for all.Well done, Quinn!

Weekly Award Winners

This weeks awards will be presented on Friday 16/10/26 in the school hall at 3.00pm

3/4B - Ruben B

Ruben, for your dedication and determination in Maths while learning about improper fractions and mixed numbers. You have worked incredibly hard this week, asking thoughtful questions to deepen your understanding of fractions. Your persistence and positive attitude have been wonderful to see. You should be so proud of your efforts. Well done!

5/6A - LIncoln B & Phoebe E

Lincoln, you have made a very good start to the term, especially after your extended holiday in Term 3. We loved hearing about the sights you explored, animals you encountered, and the descriptive journal entries. Great stuff, Lincoln.

Phoebe, your smile and friendly manner are always in bloom at school! We love when you share your written pieces in the classroom as they dive into interesting ideas. I also love to hear about what music you are listening to. So, come as you are, because you know you're right!

5/6B - Lexie D & Harrison S

Lexie, for making a great start to Term 4 especially in writing. Lexie, this week, in Quick Write, you produced a wonderfully emotive piece of writing that expressed your thoughts and feelings beautifully. Your careful use of grammar and thoughtful word choices made your writing a pleasure to read. You should be very proud of this piece!

Harrison, for showing outstanding leadership by developing and implementing the Values Matter program that encourages and celebrates positive behaviour throughout our school. Harry, I also award you this week for the great insight and thoughtful understanding you showed when analysing The Night They Stormed Eureka! You made perceptive observations and shared ideas that demonstrated excellent comprehension of the text. A great start to Term 4!

Understanding maths anxiety: a guide for parents and carers

You don't needto be a mathswhiz to make adifference. There are simple things you can do to help your child buildthe skills and confidence they need so they can thrive in maths.

1. Talk positively about maths at home

The way parent sand carers talk about maths (sometimes referred to as numeracy) has a powerful impact on how children feel about the subject.

When maths is spoken about negatively at home, children are more likely to experience maths anxiety - a sense of fear or worry when faced with mathematical tasks. This anxiety can lead to lower achievement and/or avoidance of maths altogether.

On the other hand, positive maths talk - like emphasising effort, persistence, and everyday usefulness - can foster a growth mindset. This is the belief that abilities improve with practice and hard work.

2. Build confidence in maths

A home environment that values effort over right answers can build confidence. Showing curiosity and talking through problem-solving helps children see maths as a skill that can be developed. There is also growing research that suggests some children, particularly girls, may experience higher levels of maths anxiety, making confidence-building support especially important.

3. Work with your child's school

When schools and families partnertogether, children are more likely to feel confident and positive about maths. Parents can support maths learning at home by using simple, step-by-step approaches that connect to what their child already knows. By building on familiar everyday tasks, giving them time to practice, and offering encouragement, you help them gain the confidence to tackle more challenging problems.

This guide was produced by the Victorian Academy of Teaching and Leadership, in partnership with Parents Victoria.

15 fun activities to boost maths skills

Play and puzzles

1 Master chef
Cook or bake together using measurements and fractions

2 Supermarket sweep
Estimate total costs at the shops and compare to the receipt

3 Family budget
Plan a family budget for a meal or day out

4 Weather watch
Graph the weather over a week

5 Savings jar
Sort and count coins together

6 Card games
Play strategy or number games like Memory, Uno, Monopoly, or Yahtzee

7 Interior designer
Measure furniture or spaces for DIY tasks or rearranging rooms

8 Logic puzzles
Have a weekly puzzle night with Sudoku, logic puzzles, or riddles

9 Bargain hunt
Compare discounts and percentages in catalogues or online

10 Dream team
Track sports statistics or scores and graph them

Outdoor & creative fun

11 Travel log
Track the travel time to and from familiar destinations like school, the shops or to a friend's place

12 Patterns in nature
Explore patterns in nature - count petals, spot symmetry

13 Lego
Build with LEGO using equal lengths and shapes

14 Geometry
Draw or cut out shapes and identify sides, angles or symmetry

15 Word problems
Turn daily situations into maths questions to solve

OCT23

Warrnambool Football&NetballClub5:30PM

This event provides an opportunity for fathers and their 12-14 year old sons to have an evening filled with food, fun and, importantly, connection. This event is also open to boys accompanied by another male role model in their life such as a family member or friend, mentor or coach.

Participants will have the opportunity to enjoy some fun activities and meaningful conversations as well as connect with other men and boys from the local community.

Highlights Include

- Fully facilitated evening
- Games and team-based activities
- Honest conversations
- BBQ by donation to support the Warrnambool Football & Netball Club

This event is aimed at creating a community of support around the boys of the Warrnambool region so that they can thrive and become the best they can be while strengthening connection and relationships.
