PORT FAIRY CONSOLIDATED SCHOOL

Belonging - Learning - Respect

TERM 4
WEEK 3
23/10/26

PRINCIPAL'S REPORT

How lovely it has been to enjoy some sunshine over the past week! Term 4 is always a busy and exciting time, with so much happening across our school community. Please keep an eye on our XUNO calendar as well as our newsletters to stay up to date with upcoming events. As I do each year, I will endeavour to share important dates well in advance, including some key dates for 2027. I know it can feel a little daunting to start thinking about next year already, but a little planning certainly helps!

Congratulations to our representatives at the Regional Athletics, where some personal bests were achieved! We wish those going on to the next stage all the very best as well.

I would also like to let you know that James Kelly has joined our School Council, filling Athena Morton's vacant position. We are very appreciative of James and his family committing his time to the governance of our school, as we are grateful to all our School Councillors.

Thank you to the parents and carers I have spoken with following our Term 4 Parent–Teacher Interviews. The conversations I have had, both during and afterwards, have been overwhelmingly positive. These opportunities to connect are so valuable in supporting our students to achieve their best. I will be asking for your feedback to take to our School Council around our Reporting (Term 1 and 3) and the additional Parent Teacher Interviews in the coming week.
A gentle reminder that **your child's classroom teacher should always be your first point of contact** if you have any questions or concerns, whether they relate to learning, friendships or wellbeing. You can contact your child's teacher through XUNO to share information or arrange a time to meet. Open and ongoing communication between home and school makes such a difference!

CONTINUED

PRINCIPAL'S REPORT

Planning for 2027 is well underway! I am pleased to share that our class structures will remain the same. This consistency will allow us to continue embedding the practices we have worked so hard to establish this year, alongside our newer programs, including our Explicit Mathematics Program (EMP) and our Reading and Writing Scope and Sequences.

We will also continue offering the programs and opportunities that make PFCS such a special place to learn, including our much-loved Stephanie Alexander Kitchen Garden Program, Clubs, additional lunchtime activities and open spaces for students to enjoy.

Staff have begun the important work of developing class placements for next year. In line with our Class Placement Policy, students will be invited to nominate three friends, and we guarantee that each student will be placed with at least one of their nominated friends. Considerable time and care go into creating classes, with many factors taken into account to ensure every student is placed in an environment where they can learn, grow and thrive.

If you feel there is an important consideration we need to be aware of when planning your child's 2027 placement, please contact me directly. While we carefully consider all requests, we cannot guarantee that every request can be accommodated. Decisions depend on the nature of the request and, importantly, the reasons behind it. Please be assured that our priority is always to create the best possible learning environment for all students.

For those lucky enough to attend the final performance of the Spring Music Festival, you will know what a wonderful opportunity it was for our students. We were thrilled to have 14 PFCS students participate in the choir! Although I was backstage, the sound was absolutely captivating, and it was a real privilege to listen to our students perform. We are incredibly grateful to the Spring Music Festival and our Community Bank Port Fairy and District for supporting this event and providing our students with such a memorable experience.

CONTINUED

PRINCIPAL'S REPORT

All our students also had the opportunity to enjoy a Musica Viva performance, generously supported once again by the Spring Music Festival and our Community Bank Port Fairy and District. These experiences enrich our students' learning and provide wonderful opportunities to engage with music and the performing arts. We sincerely appreciate the community support that helps make these opportunities possible.

I have also been hearing so many wonderful stories from our Year 3/4 Camp. It sounds as though our students had an amazing time, with many experiencing new things and pushing themselves outside their comfort zones to achieve activities they may not have thought possible. Of course, toasting marshmallows was a definite highlight! Experiences like these help build confidence, independence, resilience, and friendships, and it is wonderful to hear how much the students gained from their time away. A huge thank you to our dedicated staff and exceptional parent helpers who gave their time and energy to make the camp such a positive and memorable experience for everyone.

We are very excited and proud of our new outdoor learning space, which our Facilities Committee and Gardening teaching team have been working hard to establish. It is wonderful to see this space coming to life and creating even more opportunities for our students to learn, explore, and connect with the natural environment. This project has been made possible through our Building Fund contributions, generously donated by families through parent payments, our Parents and Community (P&C) fundraising efforts, and school funds. We are so grateful to everyone who has contributed to making this happen. Your support helps us continue improving our school environment and creating engaging spaces for our students. Please feel free to pop up and have a look at the new space when you have the opportunity. We also encourage you to come and have a look at our upcoming Special Person's Morning in November. We look forward to sharing it with you!

CONTINUED

PRINCIPAL'S REPORT

Upcoming dates:
Fresh Fruit Friday- Weeks 4, 6, 8, and 10
Port Fairy Cup - Tuesday 3rd November 2:15pm
Special Person's Morning: Friday 13th November
Staff Professional Practice Day (Student Free): Wednesday 25th November (TheirCare available)
Carols By The Bluestone (our students perform): Friday 4th December
Statewide Transition Day: Tuesday 9th December
Final Assembly: Friday 11th December 2pm
Last Day of classes: Wednesday 16th December (3:30pm finish)

2027
Teacher-Student One-on-One Interviews: Thursday 29th and Friday 30th January
1st day of classes - Monday 1st February
Whole School Community Picnic - Friday 5th February 1:30 (families are invited to join us)

As always, please reach out if you have any questions.

Enjoy the weekend,
Kate

Thunderstorm asthma – be prepared this pollen season

Grass pollen season in Victoria usually runs from October to December. During this time, asthma and hay fever symptoms can get worse. There is also an increased risk of thunderstorm asthma. Ten years ago, Melbourne experienced the largest thunderstorm asthma event in the world. Thunderstorm asthma can be sudden and serious. It can be life-threatening, especially if a person's asthma or hay fever is not well controlled.

Port Fairy Consolidated School has measures to keep our school community safe.

Many of our staff are trained in asthma first aid. We will monitor VicEmergency for thunderstorm asthma warnings. When needed, we will keep students indoors if the weather forecast shows a higher risk.

Managing asthma and allergies matters. During this pollen season, there are some things you can do to protect yourself and your family:

- If your child has ever had asthma, talk to your doctor about your Asthma Action Plan and to make sure symptoms are well controlled.
- If your child has hay fever, talk to your pharmacist or doctor about a hay fever plan and check if you need an asthma reliever puffer.
- If your child has cough or wheeze with hay fever, talk to your doctor to make sure they don't also have asthma.
- Take asthma medication as directed by your doctor, as the good control of symptoms can prevent thunderstorm asthma.
- Follow the VicEmergency website or app. Where possible, avoid being outside during thunderstorms – especially during the winds that come before the storm. Go inside and close your doors and windows. If you have your air conditioning on, turn it to 'recirculate'.
- Know asthma first aid. If you are not sure if someone is having an asthma attack, you can still use a blue asthma reliever puffer.

Findoutmore

For more information, speak to your doctor. You can also:

- speak with an asthma educator on 1800 ASTHMA (1800 278 462). This is a free service from 9 am to 5 pm, Monday to Friday
- refer to Better Health Channel. This includes information in different languages.

FORTNIGHTLY FEATURE
FOUNDATION

Learning Focus

Reading

We have been continuing to develop our reading accuracy, fluency and comprehension through daily reading fluency practise. Students are building their knowledge of digraphs, including sh, ng, ch, wh, ph, ck and th, and applying this knowledge when reading. We are also practising reading longer words and building confidence when tackling unfamiliar texts.

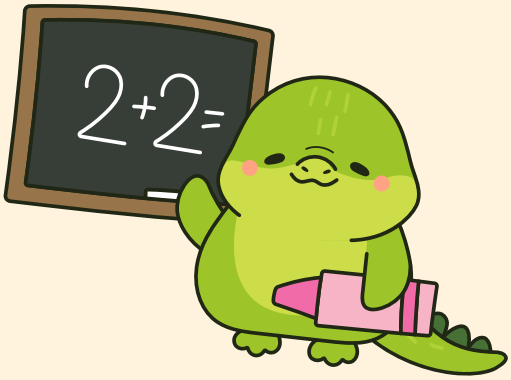

Writing

In Writing, we have been learning about The Human Body and Our Five Senses. Students have been learning to identify fragments and turn them into complete sentences that make sense. We are also building our writing stamina, working towards independently writing 2–3 sentences while focusing on sentence structure, punctuation and sharing our ideas.

Maths

In Maths, we have been exploring teen numbers, learning how to write them correctly and represent them using bundling sticks. Students have also been using number bonds to write matching addition facts. During our Facts on Fire sessions, students continue to work towards individual goals, including number writing, recognising quantities quickly (subitising), and developing fluency with addition and subtraction facts.

FOUNDATION CONT.

Highlights

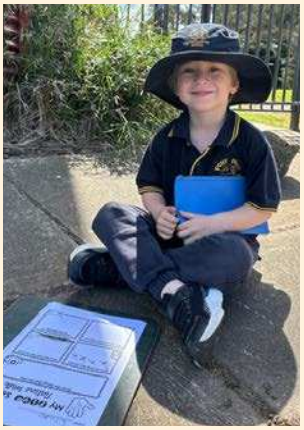

As part of our Five Senses unit, students enjoyed a taste test where they tried sweet, salty, sour and bitter foods. There were lots of interesting reactions, especially when it came to tasting the spinach!
We also headed outdoors for a nature walk, where students explored their surroundings and recorded what they could see, smell, hear and touch. Students also identified things in nature that they should not eat, helping them think about how we can use our senses safely every day.

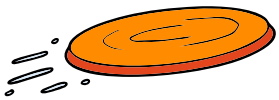

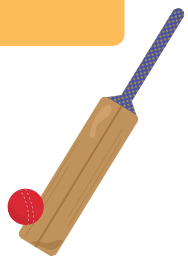

PHYSICAL EDUCATION

TERM 4 - WEEK 3

UPCOMING EVENTS/DATES

Thursday 29th October-
State Athletics Championships Albert Park
Friday 30th October- Moyne Cricket- Yr5/6- PFCC
Friday 6th November- Division Cricket- Yr 5/6- PFCC

PE NEWS

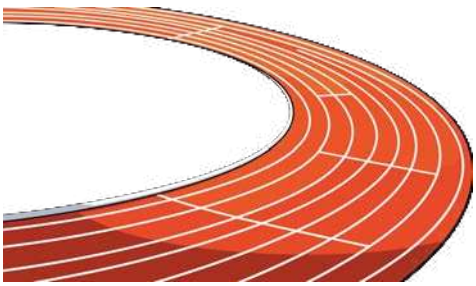

We have been having lots of fun learning Ultimate Frisbee and improving our golf swings and putting over the last few weeks. We are so lucky to have some amazing golf equipment to give us plenty of challenges and practice.

Congratulations to our 6 Regional track and field athletes who competed in Ballarat last week, they were amazing!

Sam- 3rd 1500m- 5min 22sec (25 sec improvement from Div)
1st 800m- 2min 38sec (3 sec improvement from Div)
Bronte- 1st Hurdles- 14.63sec (1 sec improvement from Div)
5th 200m- 31.29sec (1 sec improvement from Div)
Harry- 6th 200m- 28.75 9 (1 sec improvement from Div)
Lilah- 5th 1500m- 6min 4sec (15 sec improvement from Div)
Mia- 6th 800m- 3min 5 sec (5 sec improvement from Div)
Indigo- 5th shot put- 6.04m

PE continued...

Sam and Bronte now go onto the State Athletic Championships next Thursday in Melbourne, outstanding achievements, we are all so proud of you!!!
We are looking forward to our Moyne Cricket competition for the Yr 5/6s next Friday. If any parents are available to assist, please let myself or their classroom teacher know.

Stay Active!

Brooke Green
Physical Education Coordinator

SAKGP

MENU

Kitchen Garden Recipes: Nachos, Pumpkin mexican bean mix, Guacamole, Yogurt dip, Salsa.

IN THE KITCHEN

Kitchen Garden News – A Taste of Mexico!

This week in the Kitchen Garden, we're bringing the flavours of Mexico into the kitchen! Students will be making delicious nachos with fresh toppings, including homemade guacamole, salsa and a tasty pumpkin and Mexican bean mix. To finish our feast, we'll be baking chocolate chip muffins!
Our Kitchen Garden sessions are about more than cooking. Students are learning to work as a team, share responsibilities, follow recipes and support one another as they chop, mix and prepare our meals. It's a wonderful opportunity to build confidence, try new flavours and enjoy the rewards of creating something delicious together.

It's also great to be back out in the garden, preparing for the summer growing season ahead. We're getting our garden beds ready and looking forward to another season of growing, harvesting and sharing our fresh produce.

Calling all Wonderful Waterers! With summer approaching, we're looking for families and community members who can help water the garden over the holidays. A little time and care will help keep our plants thriving and ensure the garden is ready for students when they return.

It takes 15 minutes to water our top garden
and 15 minutes for the art room garden!
If you can lend a hand, we'd love to hear
from you. Let the office know if you can help!!

One-Pan Mexican Bean Mix with Pumpkin

Ingredients

- 2 cans mixed beans, drained & rinsed
- 2 tbsp olive oil
- 1 large red onion, finely diced
- 3–4 cloves garlic, crushed
- 2 tsp paprika
- 1–1.5 tsp ground cumin
- ¼–½ tsp cinnamon
- 250 gm pumpkin, diced small
- 1 tin tomato
- 1 bunch fresh parsley, chopped
- Salt & pepper to taste
- Optional: squeeze of lemon or lime (at end before serving)

Method

1. Heat oil in a large pan.
2. Cook onion (5 mins) until soft.
3. Add cut pumpkin → cook 5 minutes until slightly softened.
4. Add garlic + spices → cook for 1 minute until fragrant.
5. Add tomatoes → cook until soft and juicy.
6. Stir in beans → heat through (5–8 mins).
7. Season with salt and peper, then stir through parsley and citrus.

Kitchen garden notes:

- **Softening (Onion & pumkin):**
  Heat breaks down plant cell walls, making vegetables softer and sweeter.
- **Releasing Aromas (Spices):**
  Heating spices in oil helps release flavour compounds → stronger smell and taste.
- **Water Release (Tomatoes & pumkin):**
  As they cook, they release water, helping create a natural sauce.
- **Heat Transfer:**
  The pan transfers heat to the food, cooking it evenly and safely.
- **Protein Power (Beans):**
  Beans are a plant-based protein that help our bodies grow and repair.
- **Mixing Flavours:**
  Stirring spreads heat and flavours evenly through the dish.

Guacamole

Season: All

Serves: 30 tastes in the classroom or 6 at home

Fresh from the garden: avocado, chilli, coriander, lime, spring onion, tomato

Equipment:

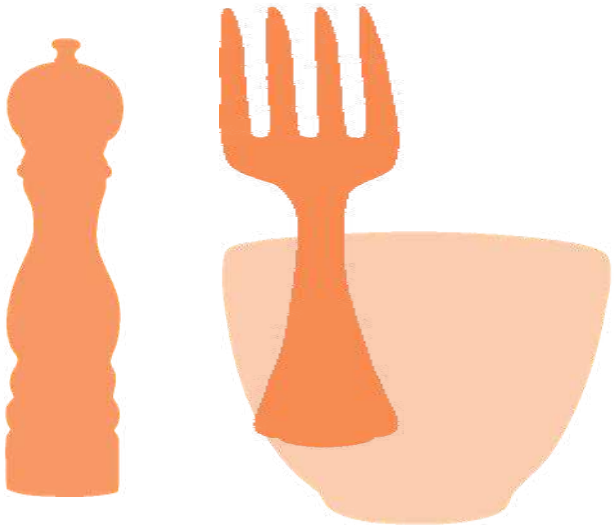

metric measuring spoons
clean tea towel
chopping board
cook's knife
medium bowl
fork
citrus juicer
zester

Ingredients:

2 avocados, mashed
3 spring onions, finely chopped
1 long red chilli, de-seeded and finely chopped
1 tomato, finely chopped
1 small of handful coriander, finely chopped
juice and zest of a lime
½ tsp salt
½ tsp cracked pepper

What to do:

1. Prepare all of the ingredients based on the instructions in the ingredients list.
2. Add all ingredients to the medium bowl and mix well.
3. Season to taste.

© StephanieAlexander Kitchen Garden Foundation 2016

Cacik

Fresh from the garden:
cucumber, dill or mint, garlic

Season: Summer/Autumn

Serves:30 tastes in the classroom or 6 serves at home

Recipe source: Adapted from an original recipe by Nikki Bird, Garden Specialist, Barooga Public School, Victoria

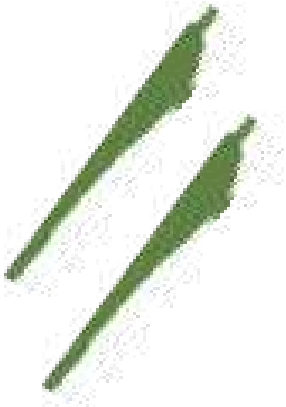

Cacik is a Turkish dish made with yoghurt and cucumber. It is similar to Indian *raita* or Greek *tzatziki* , but it is eaten as a side rather than a dip or relish. In Turkey, this quantity would only serve one or two people.

Equipment:

metric measuring scales, cups and spoons
clean tea towel
chopping board
cook's knife
mixing bowl
mixing spoon
serving bowl

Ingredients:

250 g Greek-style yoghurt 1 garlic clove, finely chopped
¼ cup cold water
1 large cucumber, de-seeded, peeled and finely diced
¼ tsp salt, to taste
¼ tsp pepper, to taste
drizzle of olive oil
1 small handful of dill or mint, finely chopped

What to do:

1. Prepare all of the ingredients based on the instructions in the ingredients list. 2. Combine the yoghurt, garlic and cold water in the mixing bowl. 3. Add the cucumber to the yoghurt mixture and season with the salt and pepper, to taste.
4. Pour into the serving bowl and refrigerate until serving.
5. To serve, drizzle with olive oil and sprinkle over the chopped dill or mint.

Tomato Salsa

Ingredients

- 4–5 ripe tomatoes or diced small (2 x tin tomato)
- 1 medium red onion, finely diced
- 1 bunch fresh coriander, chopped
- Small handful fresh parsley, chopped
- Juice of 1 lemon
- 1–2 tbsp olive oil (optional)
- Salt & pepper to taste

🍳 Method

1. Add tomatoes and red onion to a large bowl.
2. Stir in coriander and parsley.
3. Pour over lime juice and olive oil (if using).
4. Season with salt & pepper.
5. Mix well and let sit for **10–15 minutes** to develop flavour.

Food Science Notes

- **No Heat Cooking:**
  This is a *raw recipe* —no stove needed!
- **Acid Reaction (Lime Juice):**
  Lime juice adds acid, which **brightens flavour** and slightly softens the vegetables.
- **Water Release:**
  Tomatoes release juice, helping create a natural dressing.
- **Flavour Mixing:**
  Letting it sit helps flavours **combine and deepen** .
- **Fresh Herbs:**
  Coriander and parsley add aroma from natural oils in the leaves.

Weekly Award Winners

This weeks awards will be presented on Friday 30/10/26 in the school hall at 3.00pm

00A - Alby M

Alby, for being such a happy, friendly and positive member of our class. Alby, you are always kind to others and consistently make great choices by following our classroom expectations and demonstrating our school values. Your cheerful nature, funny jokes and conversations about footy and cricket bring so much joy to our classroom. Keep being your wonderful self!

1/2A - Lulu W

Lulu, for your amazing work in Maths! You have been doing lots of practice and I am so proud of how much you are improving. You always try your best and are willing to give everything a go. Keep up the fantastic work, Lulu!

1/2B - Isabelle Y

Belle, for consistently showing kindness towards others at school. You're always the student I can count on for helping someone if they don't understand what they are doing, to help someone if they are upset, and to always make those around you feel special, including your teacher. Thank you for being such a kind person, Belle.

3/4A - Mae S & Savannah S

Mae, for your willingness to take on every challenge at camp with enthusiasm and courage. Your amazing leap from the Flying Fox tower was fantastic to see! You should be proud of yourself for embracing new experiences and giving everything a go. Well done, Mae!

Savannah, for your wonderful smile and determination throughout camp. You approached every activity with a positive attitude and gave everything a go, even when you were feeling uncomfortable or things got a little challenging. Your resilience and willingness to keep trying were fantastic to see. Well done, Savannah!

3/4B - Aurora H & Lucas C

Aurora, for your determination and bravery on camp. We loved seeing you take on all the challenges of camp. You should be so proud of yourself, well done Aurora.

Lucas, for the generous way you share your time and ideas with others. Your thoughtfulness and willingness to help others make you a fantastic role model. Keep up the great work Lucas.

5/6A - Lilah C & Dilly D

Dilly, what a great year you have had. Your drive and determination is so pleasing to see. We love hearing your 'author's voice' during our Quick Writes in Literacy and the meaningful contributions you add to classroom discussions. I have no doubt that you will continue to set a great example as a Yr 6 student in 2027.

Lilah, the spiritual leader of 5/6A. Lilah, your buzz and energy has kept us charged all year. We have admired your leadership as an Ambassador and as a representative for PFCS on the sporting field. Your drive and commitment will take you to some wonderful places as you move from Yr 6 to 7!

5/6B - Lochlan C-C

Lochlan, for making a great start to PFCS. Lochlan you are a fantastic addition to our classroom. I love hearing your insights on lots of different topics. Welcome to PFCS!

P&C Events 2027

We need new volunteers

To keep running the amazing events we've held year on year supporting the students and staff, we need new volunteers helping to organise the events

Volunteer your way.

Grab a few friends, bring a new idea,
or keep helping with an event you love.
Look at the list linked below for ideas

We'll back you.

Events can be just for fun, raise funds,
or simply be a great idea waiting for the right people.

We need to lock in lead volunteers to organise
the events to confirm we can run them next year.
If we don't find lead volunteers, the event may not proceed.

The dedicated group of families who have led
recent P&C events are nearing the end of their time with PFCS.
We thank them for their amazing efforts
and look forward to passing the baton onto new families.

Signup via the link or QR code to organise an event before October 31 to make sure your fave gets off the ground in 2027

https://forms.gle/EEmrP4RibuKxbjL37

SECOND-HAND UNIFORM SHOP

The Second-Hand Uniform Shop will be open in **Gallery One** on the following dates...

Thursday 29th Oct from 3:30pm

Wednesday 11th November from 3:30pm

Understanding maths anxiety: a guide for parents and carers

You don't needto be a mathswhiz to make adifference. There are simple things you can do to help your child buildthe skills and confidence they need so they can thrive in maths.

1. Talk positively about maths at home

The way parent sand carers talk about maths (sometimes referred to as numeracy) has a powerful impact on how children feel about the subject.

When maths is spoken about negatively at home, children are more likely to experience maths anxiety - a sense of fear or worry when faced with mathematical tasks. This anxiety can lead to lower achievement and/or avoidance of maths altogether.

On the other hand, positive maths talk - like emphasising effort, persistence, and everyday usefulness - can foster a growth mindset. This is the belief that abilities improve with practice and hard work.

2. Build confidence in maths

A home environment that values effort over right answers can build confidence. Showing curiosity and talking through problem-solving helps children see maths as a skill that can be developed. There is also growing research that suggests some children, particularly girls, may experience higher levels of maths anxiety, making confidence-building support especially important.

3. Work with your child's school

When schools and families partnertogether, children are more likely to feel confident and positive about maths. Parents can support maths learning at home by using simple, step-by-step approaches that connect to what their child already knows. By building on familiar everyday tasks, giving them time to practice, and offering encouragement, you help them gain the confidence to tackle more challenging problems.
