TERM 4
WEEK 5
7/11/25

PRINCIPAL'S REPORT

Our students have been wonderfully busy both inside and outside the classroom recently! From individual and team sporting activities to class events, and let's not forget our Port Fairy Cup! It's been fantastic to see everyone giving their best effort. Our swimming program is now underway, and our Year 6 students are enjoying Surf Groms as part of their Graduation Program. Across all of these experiences, our students continue to demonstrate resilience, teamwork, and respect - something we are all incredibly proud of.

We're delighted to welcome the Casas family to our school community! Nathalie and Krysler have joined us this week and have already settled beautifully into their new classrooms. We're so happy to have them as part of our school family.

Our library continues to be a hive of activity, especially on Wednesdays! A big thank you to Athena for generously volunteering each week (on a Wednesday) to help students explore this wonderful space and change their books. Over the Christmas holidays and into next year, we'll be completing further refurbishments to make our library an even more inviting place for students to enjoy.

This week, our Year 5/6 students had a visit from Brooke and Kelli, our local Youth Resource Officers. They led an important session on online behaviour, discussing what bullying can look like in digital spaces and what positive, friendly online interactions involve. Students also learned about Brodie's Law and the importance of having five trusted adults to talk to when they need support. A reminder that www.esafety.gov.au is a fantastic resource for families, and we also spoke about the new social media age restriction laws coming into effect on December 10.

Continuing on...

Over the coming weeks, staff will be talking with students about friend selections for 2026 classes. We encourage you to have a chat with your child to help them prepare for this. We ask students to think about who they work best with and who helps them learn and achieve their potential - a valuable part of setting up a successful year ahead.

As you know, we've had a few staffing changes this year, which have provided us with the wonderful opportunity to welcome two new graduate teachers to our team. We're thrilled to share our staffing profile for 2026 below — it's shaping up to be another great year!

Next Friday is the Slime Splash and Colour Dash! A reminder to ensure your students bring a towel. You are more than welcome to join us for this fun time. Thanks to our P & C group for organising this popular event.

Have a wonderful weekend,

FOUNDATION HOMEROOM HAPPENINGS

What We Learned

Literacy

This week in Sounds Write we introduced the digraphs /wh/ and /ng/. We also reviewed some of our spelling rules like the FLOSS rule, the K, CK at the end of a word and the C/K rule at the beginning of a word. We have been using all the new Unit 11 digraphs in our reading and spelling. This has resulted in more difficult dictation sentences which have been quite challenging. In writing we have been working on creating sentences using the conjunctions 'but' and 'because' and differentiating between questions and statements using the correct end punctuation.

Numeracy

This week we have been learning about capacity and the capacity of things. We have also been reviewing our doubles facts from 1 to 10 and our tens facts. We've gotten very competitive in our "Shoot the Sheriff dice game utilising our doubles and tens facts knowledge which is getting better all the time.

Extra

In Core Knowledge we have finally been learning about Australia and we met Billy from Tamworth. We looked at the animals and the landmarks, both natural and manmade, that make Australia unique and we compared our life to Billy's.

Reminders

Please pack labelled bathers, goggles, and a towel in a bag that your child can carry to and from the pool.

What We Learned

Literacy

In Literacy we have continued with our core learning of 'Reading Fluency, Sounds Write and Spelling Mastery. Then in English(Core Knowledge) we have been learning about Arctic and Desert Habitats and the plants and animals that live there. We learnt about the different types of foods animals eat,carnivore are meat eating, herbivores are plant eating and omnivores eat meat and plants.

Numeracy

In Maths, we have continued working on division and how multiplication and division are inter connected. We have been doing 'worded problems' and how to solve them using division and Multiplication. Eg there are 48 pencils to be shared equally. How many groups could you make?

Extra

We had the traditional 'Port Fairy Cup' on Wednesday which is so much fun watching the Year 6's race with their Foundation buddy!

YEAR 3/4 HOMEROOM HAPPENINGS

What We Learned

Literacy

In Literacy we continued our term's Core Knowledge unit on Mountains and how and why they are important to us and our environment. We continue to review our understanding of a range of spelling rules, practice our fluency through choral and partner reads. We are also focusing on letter formation and handwriting throughout handwriting passages which this week have a theme of Cambodia.

Numeracy

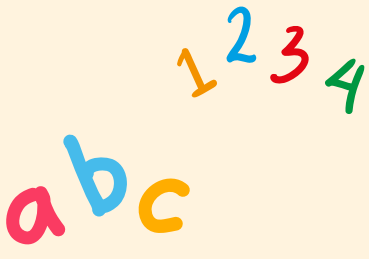

This week in Numeracy we have started learning about probability and the likelihood of events taking place. We are also continuing our work around number fluency through our Facts on Fire program.

Extra

New reading passages for reading fluency were sent home this term. These are quick 1 minute reads to help practice fluency. Please ensure your child is doing these 5 days a week at a minimum.

We have been in contact with Ms Ind and June a little this week. It has been so lovely to see their new house and hear about their adventures so far. We are hoping to have a bit of a longer facetime call with them once they have been at school for a week or so.

Reminders

Please pack labelled bathers, goggles, and a towel in a bag that your child can carry to and from the pool.

What We Learned

Literacy

Through our Novel Study of Boy Overboard, we continue to discuss topics such as bravery, courage, human rights, family bonds, conflict and different cultures. Jamal and his family have fled Afghanistan and are now refugees.

Numeracy

What do you mean, 'mean'? The mean can be mean, know what I mean?
We've been exploring the other mathematical word for 'average', as well as its partners in crime; median and mode. Probability is a likely scenario, but there's only a slim chance, as we're finding out.

Extra

We had the traditional 'Port Fairy Cup' on Wednesday, where our Year 6 students raced with their Foundation buddy!

What We Learned

Another busy week in the sporting world for our PFCS legends.

Firstly, congratulations to Zachary who was our only representative at the Victorian State Track and Field Championships, held at Lakeside Stadium in Melbourne yesterday. True to form, Zachary came out and threw (3kg shot put) over half a metre further than he did at the Regional Championships, an amazing throw Zach, we are all so proud of you getting to such an elite level and performing so well.

Our Yr 5/6 cricketers had a fantastic day at the Moyne schools cricket day last Friday. Our Girls team of; Clare, Poppy, Sapphire, Jessiel, Freya, Devon, Ymai and Layla, walloped the opposition to qualify for the Division cricket championships, being played today at the PFCC. Our boys team of; Jackson.W, Jackson.P, Charlie.G, Charlie.H, Harrison, Zavier, Trent and Jet were too superior for the opposition and will join the girls today in the Division finals. Congratulations to both teams and good luck.
A huge thank you to Cath Haldane and Ash Wilkie who superbly coached our girls and boys teams to victory last week, how lucky we are to have such involved and committed parents to support our programs. Thank you ladies and good luck today!

Great to hear that swimming has been going swimmingly! Some individual group changes have been made, thanks for the feedback to help make the most positive experience for our students.

As Term 4 warms up, a reminder to send water bottles, especially on P.E days. We are often on the lower oval and can't return to the bubble taps until the conclusion of class.

MUSIC
HOMEROOM HAPPENINGS

What We Learned

Congratulations to the children who took part in the Southwest Sing at the Warrnambool show. We had plenty of nerves beforehand, but all were buzzing afterwards. They sounded wonderful! Thank you to the families who supported this event & brought their children along.

In Music lessons, all of the children have been playing the keyboards. From the Foundations exploring what sounds they can make on the electric keyboards up to the Yr 5/6's using both hands to play music and practicing correct placement of their fingers on the keys.

We are also rehearsing each year levels chosen Christmas songs in preparation for Carols by the Bluestone.

SCIENCE
HOMEROOM HAPPENINGS

What We Learned

We are learning about the Great Southern Reef and the inhabitants that call it home. Sensational seadragons, fish species of all shapes and sizes, ocean and reefs.

We take a close look at seaweeds investigating their role on a reef. We will use our digital microscopes to investigate how these algae make energy from the sunshine.

Our focus is on sustainable fishing, how we can help our ocean beaches and living creatures. From Hooded Plovers, to rockpool creatures.

Leek & Mixed Pea Risotto

Season: Winter/Spring

Serves: 30 tastes in the classroom or 6 at home

Fresh from the garden: leeks, parsley, peas (snow or sugar snap), soft-leaved herbs

For risotto, you add stock a little at a time to the pan of rice, stir and wait for the rice to absorb it. Adding the stock warm ensures the rice keeps cooking, rather than going cold and heating up again. You'll need to keep a pot of warm stock close to your risotto pot. The arborio rice variety is traditionally used in risotto as it is short and fat and can absorb a lot of liquid without going gluggy. In risotto, you want the rice to be soft but with a tiny bit of nuttiness at the centre – it's all about *texture*.

Equipment:

- medium saucepan with lid
- metric measuring scales, jug and spoon
- clean tea towel
- chopping board
- cook's knife
- grater
- large heavy-based pot
- wooden spoon
- ladle

Ingredients:

- 1.5 L of chicken or vegetable stock
- 3 tbsp extra-virgin olive oil
- 3 small leeks, trimmed and finely sliced
- 400 g risotto rice
- 1 large handful of snow or sugar snap peas
- ½ tsp salt
- ½ tsp black pepper
- 1 tsp of butter
- 1 handful of soft-leaved herbs, washed and torn
- 50 g parmesan, grated

What to do:

1. Heat the stock in the medium saucepan.
2. Prepare all of the ingredients based on the instructions in the ingredients list.
3. Heat the olive oil in the large pot, add the leek and stir for 4–5 minutes or until the leek is soft.
4. Add the rice and turn up the heat, keep stirring it. After a minute it will look slightly translucent.
5. Add your first ladle of hot stock and stir.
6. Lower the heat and continue adding stock, stirring and allowing each ladle to be fully absorbed.
7. Add peas and cook until tender.
8. Test the rice; is should be soft but with a slight bite.
9. Remove from the heat and add the salt, pepper, butter, herbs and parmesan.
10. Taste and adjust seasoning as necessary.
11. Cover and rest for 2 minutes before serving.
